#### Detailed item info

##### Product Information

Join America's Olympic soccer hero Mia Hamm as she leads an all-star team through a variety of different challenges. Compete in a league, play exhibition matches or go for the sport ultimate prize – the World Cup.

Mia Hamm Soccer 64 includes 32 international teams and 18 U.S. league squads, as well as Hamm's all-star team. There's also commentary from 1999 World Cup announcer Wendy and tips from Hamm herself, which are designed to help players with their actual soccer game in addition to their electronic one.

Players are also given the option of choosing between 10 different stadiums and a variety of weather conditions. These can either be specified by the player or chosen randomly. Additi players are given the option of choosing between two sets of controls, a basic mode where the CPU retains some control, and Professional mode, in which everything is in your hands.

The game accommodates one to four players who can compete against each other in individual matches, or in League and World Cup modes. Their is also a Practice mode which all players to work on their basic skills including corner kicks, free kicks, direct free kicks and penalty kicks.

League mode allows players to compete in a tournament against teams from various American cities. Statistics are kept for the entire season, so the goal is to lead your team to the t standings.

World Cup mode puts players into competition against a selection of International League Teams, with Hamm's All-Stars representing the U.S.. This mode has a higher level of difficult league play and has been designed for experienced players.

Additional features offered in Mia Hamm Soccer 64 include the ability for players to choose various formations for their team, and referees who enforce the rules of the game by handing and yellow cards, awarding free kicks and calling other penalties.

**RARE NTSC N64 Mia Hamm Soccer 64 US/ES World League Soccer 2000 Prototype Nintendo**

Mia Hamm Soccer 64 is the English/Spanish US version of Michael Owen's WLS (World League Soccer) 2000, a soccer video game released in 2000.

The game is a full version and delivered on a genuine NUS-16F32SB cartridge with standard CIC-NUS-6102 NTSC lockout chip and

The build date of this cartridge is unknown. The letters "GM" on the label COULD imply this is a "gold master" version. It could be it could be an earlier version.

You are bidding for the cartridge only. It works fine as you can see in the photos.

Item is located in Germany. International Buyers are welcome.

International Buyers - Please Note:

Import duties, taxes and charges are not included in the item price or shipping charges. These charges are the buyer's responsibility. Please check with your country's customs office to determine what these additional costs might be prior to bidding/buying.
